MONDAY EVENING, MAR. 23, 1896

**REFORM WITH A COWARD.**—A party of 20 highly respected ladies went into the railway station room of the Santa Fe Railway at Ladonia, Texas, Friday evening and severely cowhided Dr. Hancock, a physician, who recently went there from Bonham. The ladies first demanded that he leave town and promise not to return. He told them he would not do it. They showed him a dozen cowhides and informed him that they would be used on him if he did not leave immediately and quit prescribing whiskey. He again refused, when a dozen whips were drawn and 500 lashes administered him. He left at once for Honey Grove. Quite a crowd gathered at the depot while the thrashing was in progress, and the excitement was intense. It is reported that a warrant will be sworn out for the arrest of the ladies. They were the same ladies who entered a resort for the proprietor and pleaded with him to close his place.
